LAKEFRONT MANOR HOUSE

[LAKEWOOD, COLORADO | UNITED STATES](#)

Many a passerby has wondered what lies beyond the white fence and gates...this magnificent European-inspired estate does not disappoint. Visited by royalty and heads of state, its storied past reflects an era of gracious living while offering privacy and tranquility. The 26-room, 14,000 sq. ft. manor house features a handsome paneled library, 7 bedroom suites, staff wing, elegant formal rooms, and extraordinary details throughout. The pinnacle of luxury living, its 122 acres include breathtaking mountain views, century old trees, lake with beach and boating privileges, pool, tennis court, and stables. Zoned agricultural with water rights included, this very private estate is only 20 minutes to Downtown Denver. Don't miss this once in a lifetime opportunity.
